Are you aware that you and your pets can be affected by Breed Specific Legislation?

The Victorian State Government has introduced Breed Specific Legislation targeting purebreds of 5 breeds of dog, the

American Pit Bull Terrier, Dogo Argentino, Fila Brasileiro, Japanese Tosa and the Presa Canario

What you may not know, is that your pet may be identified as one of these breeds even if you claim it isn't.

Furthermore, the Victorian Government can place restrictions on us and our beloved family pets and even seize and destroy your dog.

Breeds and cross breeds thereof that have been subjected to Breed Specific Legislation around the World include the

Akitas, Alaskan Malamutes, American Staffordshire Terrier, Anatolian (Karabash) Shepherd Dog, Bullmastiff, Bull Terrier, Cane Corso, Dobermann, Dogue De Bordeaux, English Mastiffs, German Shepherd Dog, Great Dane, Italian Mastiff, Irish Wolf Hounds, Maremma Sheepdog, Neapolitan Mastiff, Rhodesian Ridgeback, Rottweiler, Scottish Deerhounds, Shar Pei's, Siberian Huskies, Spanish Mastiff, Staffordshire Bull Terrier and many, many more.

Find out the facts about Breed Specific Legislation and how it will affect you, your children and your family's pets.
Read about how it has already affected many Australians families who have had their beloved family pets seized and destroyed.
